

LOCAL.

Photos For the next thirty days I will continue to make one dozen photos and one life-size crayon portrait, for \$3.75. Puhl, Maumee.

—In case of sudden colds, and for coughs of long standing, take Ayer's Cherry Pectoral.

—C. A. Powers and L. B. Holly have dissolved, and L. B. Holly has accepted a position in Toledo.

—The next social of the Ladies' Centennial Society will be held at the residence of Mrs. H. Peck, Friday evening, Oct. 3d.

—The Perryburg C. L. S. C. will meet at the home of Miss Hulburd on Tuesday evening next, Oct. 7th. By order of the secretary.

—Sonny, does your father take a paper? "Yes, sir, two of them; one belongs to Mr. Smith and the other to Mr. Thompson. I hook them off the street."—E. K.

—Some one scattered poisoned Bologna on the streets of Leipsic, Ohio, a short time ago. The village council offers a reward of \$50 and the business men \$175 for the guilty party.

—We have just received a large stock of latest styles of wedding and address cards, and a new lot of job type and are prepared to do plain and fancy job printing better than ever before.

—A. E. Wilson, has been engaged in setting up monuments in Findlay and Fostoria this week for the firm of Lloyd Bros., of Toledo. This firm is doing a large business in all parts of the country and their work is always satisfactory.

—Paints and oils, of the very best quality, at A. R. Champney's drug store.

—Ed. G. Beach, of the firm of Leslie & Co., Chicago, paid his old home a visit Sunday. He was warmly welcomed by many friends, who are always glad to greet him. He has charge of the California fruit department of the above firm.

—Pearl May, daughter of Oliver and Carrie Mogle, was born Aug. 21st, 1889, and died Sept. 27th, 1890, aged 1 year, 1 month, and 6 days. Funeral services at the house conducted by Rev. J. S. Fitterer.

—It may be well for our people to look out for the germs of typhoid fever. With the villainous catch basin, and with the sleepy people who ought to see it cleaned, and with the filth that has accumulated in some of the alleys, there is much danger. That catch basin is a crime!

—Frank Harbauer and wife, of Toledo, are visiting the family of Philip Harbauer, and other friends, in Perryburg, this week. Frank is a worthy young man, born and raised in Perryburg, and has been employed in J. Kurtz' meat market in Toledo, for the past five years.

—Smoke the "Canary Tip" Cigar.

—Owing to the closing up of the saloons of Lima last week, during the Agricultural fair, under the State law, by proclamation of the Mayor, the saloon keepers in order to retaliate, had the bakeries, fruit stores, cigar stores, barber shops, meat markets and ice cream parlors all closed tight as a drum on Sunday, Sept. 21. The drug stores were open part of the day. The city was quiet and orderly.

—A first-class line of cigars at John DuFord's barber shop. Shaving, hair cutting and shampooing. Your next!

—Rev. Dr. Atwill, Rector of Trinity church, Toledo, who has lately been elected Bishop of the new West Mission Diocese, will deliver a sermon at St. Paul's Episcopal church, Maumee, on Sunday next, at 3:30 p. m. This will probably be the last visit of Dr. Atwill to Maumee, prior to his removal to the West, and everybody in general and Episcopalians in particular are cordially invited to attend this service.

—LETTERS UNCALLED FOR.—Letters remaining uncalled for at Perryburg Post Office, Sept. 30, 1890: Mrs. Asena Aver, Mrs. Chay Burdies, Tom Colons, Adam Christian, Miss Mary Gribbins, F. H. Gill, Mrs. Leah Gires, Lamer Hutzkop, J. Harrod, Mrs. C. Lindner, J. W. Livingston, Mrs. S. E. C. I. Vanvalkenberg. Persons calling for these letters please say advised. W. H. Hollenbeck, P. M.

—Watches, Clocks, Jewelry, Spectacles. Special attention given to repairing. All Warranted. JOHN ZURFLUH, 313 Monroe street, Toledo.

—"Haben aben, sken aben kaben, 'vora de h—'s my Bost," said an infatuated German as he entered our office a few days since, with blood in his eye. We managed to ascertain that he had paid a year in advance for Die Post, and the paper had stopped coming, and then we gently told the gentleman that Die Post was now the Died Post, it having been buried about three weeks since. He mournfully meandered away, and murmured "Tamm dat Bost," and we can't blame him for feeling that way.

—A man was knocked down and robbed on Front street a few evenings since, and the matter has not been thoroughly investigated as yet, and unless prompt action is taken there is liable to be a repetition of the same thing. He was knocked down by a "whiff" from the catch basin on the east corner of Louisiana ave., and Front street, and was robbed of his senses by the sense of smell being so overloaded that the other four stood no show at all. The council will fix it however, as we have no board of health.

—Smoke the "Canary Tip" Cigar.

—Two freight trains collided on the B. & O. Ry., at Midway, a small station about three miles east of Defiance. Thomas Benson and his son aged 11, were in one of the cars, moving to Minnesota, and the boy was caught in the wreck, and literally roasted before the eyes of the agonized parent. The engines were a total wreck, and several car loads of live stock were burned. The wreck was caused by Bill Meyer, one of the engineers, who disregarded his orders, and ran past the place where he was ordered to stop. The engineers and fireman saved themselves by jumping.

—Ayer's Sarsaparilla, sending the brain pure blood, makes sound both mind and body.

—With the fair and the Democratic convention at Bowling Green, all in the same week, that village must have a terrible time of it.

—Mrs. Harter, of Cleveland, recently gave birth to a boy baby which weighed only fifteen ounces.

—When you want to do a first-class job of painting, get your material of A. R. Champney, at the drug store.

—We are indebted to some unknown friend for kindly mailing us two copies of the JOURNAL of Sept. 13 and 20, 1890, for which we return our thanks. We want about 20 copies more.

—The Ladies Reading Club will hold its first meeting after its summer vacation, Thursday, Oct. 9th, at 2:30 p. m. at the house of G. Beach. It is hoped that every member will be present.

—A bran new boy arrived at the home of Joseph Heilman, Jr., and he weighs an even 11 pounds, and is reported as being one of the finest young men in Wood Co. Mother doing well, and father is wearing a beaming smile.

—They say Maude Granger declines to carry a maid this season, because it would make the company number thirteen people. Manager Wilkinson, it is said, encourages her in the superstition, which tends to lessen the general expenses.

—Wednesday, Oct. 8th, at 2:30 p. m. the Equal Rights Association will meet at the residence of Mrs. Addison Smith. A full attendance is desired. The regular meetings of this society will be held on the second Wednesday of each month.

—Harry Hamilton received a box of Chinese drugs from Will Wilkinson, from Los Angeles, Cal. They consist of roots, herbs, barks, bugs, and lizards, and are warranted to kill or cure. Wonder who will take a trial dose of this conglomeration.

—The great attraction next week at the People's, Toledo, will be the Wilbur Opera company. The opera company and its repertoire is too well known to need much comment here. Crowded houses greet them whenever and wherever they appear. Matinees, Tuesday, Thursday and Saturday. Doors open at 1, overture at 2 o'clock. Plays generally conclude at 4:30 p. m. giving ample time to reach depot.

—W. H. Harris, of Ross township, brought to Kingsbury's grocery on Monday, a quantity of the finest grapes that have been sold in this market. Harris is the grandfather of the boy baby who took second prize at the Toledo Exposition baby show recently. First prize went to a baby girl of Lucas county, and grandpap Harris says the little fellow is commencing to let the girls enquire him out of his money at an early age.

—There are quite a number of fine horses now owned in Perryburg. Besides the many beauties that have been owned here for some time past. Mr. A. Williams has purchased a mare that promises to develop considerable speed, and is said by horsemen to be a fine animal. Mr. C. F. Chapman, who is never inclined to be very far behind anyone else, comes home from Canada with a beauty that is not only as gentle as a lamb, but promises to be the equal of any in the county.

—About a year ago, Postmaster Hollenbeck asked us for a quantity of composition to use in making a pad for stamping letters. We gave him some that had been in the office about 10 years, and by giving different directions for preparing it, kept him busy for about a week trying to boil it out, but it was no good and the P. M. found we had sent him a new gets even with us. Every time a subscriber to the German paper, formerly printed in the JOURNAL, building, wants to know why his paper fails to show up Hollenbeck sends him to us, claiming we are to blame, and we have had to carry two guns and a bull dog to protect ourselves. Never mind, Mr. Hayfever, if we get left on you in the end of this game, it will be when the weather is so cold they are throwing snow balls in his satanic majesty's realm.

—Don't be drawn on by unknown photographers who have no reputation to lose, but patronize a photographer you know to be reliable. Call on P. M. Puhl, Maumee, Ohio.

—STONY RIDGE.—Miss Emma Debbie is visiting friends and relatives in Toledo a few days this week. Miss Etie Emch of Woodville, is visiting relatives and friends at the Ridge this week. Mrs. Kiff, of Portage, is spending a few weeks with old friends here. Quite a number of our young people attended the Lovefeast at the Dunkard church last Saturday night, which was well attended, as a number were unable to obtain seats. Miss Currie McCutchen has been very low with typhoid fever but slowly recovering. The families of Wm. and Geo. Furry were at Haskins the first of the week to attend the funeral of their brother, A. Whitmore. H. Rifer has purchased the pony formerly owned by Rev. Born. The Lutheran Sunday school at this place will hold their Sunday School union on Sunday next. The Latcha and Dowling schools are expected to attend. The many friends of C. E. Wagoner, who has been very low for some time past with typhoid fever at Cygnet, O., will be pleased to learn that he has been able to return to his home this week. The members of the M. E. society are well pleased with the return of Rev. Hunter as pastor for the coming year.

—Hold it to the Light. The man who tells you confidentially just what will cure your cold is prescribing Kemp's Balsam this year. In the preparation of this remarkable medicine for coughs and colds no expense is spared to combine only the best and purest ingredients. Hold a bottle of Kemp's Balsam to the light and look through it; notice the bright, clear look; then compare with other remedies. Large bottles at all druggists, 50 cents and \$1. Sample bottle free.

—For Sale Cheap. Eight acres of land in Perryburg, incorporation on Cherry street, opposite residence of John Chappel, 23d Mrs. Deibolt Schares.

—Among the many appointments made by the late session of the M. E. Conference at Lima, it is learned the Rev. G. B. Wiltzie who has served us faithfully for the last five years, is appointed to the charge at Upper Sandusky. The people of that city are to be congratulated upon receiving Rev. Wiltzie while the people of this place should feel no less favored with the appointment of Rev. Dustin Koble, as he is highly spoken of wherever heard.

—If you want a first-class double or single harness go to Wm. Schlecht, Perryburg.

DEATH OF MRS. MARY T. BRUCE.

Almost a Centenarian.

On Monday last, at 3:15 p. m. occurred the death of Mrs. Mary T. Bruce, at her residence in Perryburg, O., of old age at the age of 92 years, 2 months and 19 days.

Mrs. Bruce was born in Worthington, Mass., July 10, 1798, and came to Perryburg in the Summer of 1835. She was married in the year 1825 to Seth Bruce, with whom she lived happily until his death in July, 1886. To them were born six children, three sons and three daughters, all of whom are living—Mrs. D. T. Shaw, of Cumington, Mass., Jesse S. Mrs. Ann E. Frederick, Mrs. Mary R. Carroll, of Bowling Green, Alex. R. and Joseph W. Bruce. With the exception of Mrs. Shaw and Mrs. Carroll, they are all residents of Perryburg township.

Her long residence in Perryburg makes her one of the early pioneers of the Maumee Valley, and she has attained a remarkable age for one who has endured all the hardships incidental to a life in the early history of the black swamp. She has enjoyed good health during the greater part of her life, but during the past few years has been quite ill, and her death has been anticipated for some time past.

The funeral services were conducted at her late residence by Rev. G. A. Adams, on Wednesday, Oct. 1, 1890, and the remains placed in Fort Meigs Cemetery.

Sudden Death of Osmond Wetmore.

On Saturday, Sept. 27, 1890, occurred the death of Osmond Wetmore, of Haskins, Ohio.

In company with his wife, he had gone to the farm of David Berse, near the village of Bailey, Lucas county, for the purpose of getting grapes to take to his grocery store at Haskins, and feeling chilly, asked his wife to assist him in putting on his overcoat. He was buttoning the coat preparatory to starting for his wagon, and upon examination it was found that life was extinct. He had been feeling quite well and cheerful prior to this sudden call and had but a short time before been joking with some friends. He was placed in his wagon by friends and driven to the home he had left but a few hours previous, in his usual health. A post mortem was held and the cause of his sudden death was attributed to heart failure.

He was the third eldest of the family, and was born in Louisville, New York, in March, 1816, thus making his age 74 years last March.

He sailed the lakes for about 30 years, came to Wood county in 1838, and has been a resident of the county since that time.

Some 20 years since he was married to Mrs. Jane Jackson, who survives him.

For a number of years he resided on his farm near Haskins, but a few years ago rented the farm and has since conducted a grocery and provision store in Haskins.

He had a large number of friends, who regret his death.

The funeral services were held at the Baptist church in Haskins and the remains were placed in the vault in Ft. Meigs Cemetery in this place. A large number of people were present to bid farewell to an old friend.

A Bargain.

I want to sell the lot where my office stands with or without the building. Lot twenty-five and one half feet front with one half of brick walls. Price and terms reasonable.

D. K. HOLLENBECK.

Bargains in Real Estate. I have for sale some choice dwelling properties and vacant lots in Perryburg, at prices and terms to suit the means of purchasers. I can sell you a good house and lot for from \$300 to \$10,000, in the most beautiful village in Ohio. I also have for sale some finely improved farms within short distances of Perryburg, and timbered lands in different parts of the County, in which at the prices I am now offering them there are bargains for purchasers. As prices are steadily advancing the sooner purchased the better the bargain.

I also have a few thousand dollars to loan on good security.

D. K. HOLLENBECK.

TOO MUCH ANNIE ROONEY.
It doesn't matter where you go,
In your ears it's ringing—
"She's my Annie, she's my Annie!"
This Rooney business, don't you know,
That everybody's singing,
Everybody knows the thing;
Everybody's spouting,
Save the small majority
That's being driven luny.
Organs grind it in the street;
Mr. Dennis Mooney,
Keeps awake upon his beat
To whistle "Annie Rooney."
In the woods the phoebe birds
Sing the song without the words;
Cats upon the garden fence
Render it with stress intense;
Even young baboons
Now and then removes his cane
From his mouth, and, adjusting his brain,
And, in accents full of path,
Hums "Miss Annie Rooney."

LEMOYNE.

The outlook for a good corn crop is very favorable. This with good prices for all farm products, puts the farmer in good humor. Wheat is nearly all sold, and the average is above the average. On account of the failure of our oil well, the oil excitement is dying out and leasers are not as plentiful as they were a few weeks ago. The Autumn term of school has commenced and the teachers, who are conducting it, is a guarantee that it will be highly successful. The saw mill of Mr. Andrews is again in operation after a long rest. We have had a large number of cases of scarlet fever, but all of them are reported recovering, with no new cases heard from. Some person evidently not well posted in a communication to the Wood County Sentinel and Gazette is trying to create the impression that the Republicans of this (Troy) Township are united in pushing the claims of Mr. Gibson as a candidate for County Commissioner, when Mr. Thompson's present term expires. I do not know upon what grounds he presumes to voice the political preferences of the Republicans of this Township. As an old resident I do know that only a small minority of the republicans of Troy would favor such a nomination. When the proper time comes the straight and reliable republicans of Troy Township will present the name of a person for the nomination, who is in every way worthy and capable and who will not trade with Democrats or use money for the purpose of furthering his own political aspirations.
